Dear Parents / Guardians,

Life Skills Programme – Kindness (P4) Financial Literacy

The school is organising a Life Skills Programme on Financial Literacy for our Primary 4 students. The programme aims to equip our students with skills necessary for them to develop their social-emotional competencies such as self-awareness, self-management and responsible decision-making. The objectives of the Financial Literacy programme are as follows:

- 1) Make responsible decisions and act on them
- 2) Choose actions and decisions that are responsible towards oneself and others
- 3) Learn how to manage money wisely

The school partners Junior Achievement (Singapore) Ltd, a non-profit organisation, where their volunteers from the business world will conduct the programme. Relevant and contextualised real-life scenarios will be used to give students a real-world perspective and reinforce their learning of the four key fundamental money management concepts: *Earn, Save, Spend* and *Donate*, through an engaging narrative approach.

The programme will take place as follows:

Date	Day	Classes Involved	Timing	Venue
16 May 2024	Thursday	All P4 classes	2.00 – 4.00 p.m. (Lunch will be at 1.30 p.m.)	K1 to K5 Classrooms
17 May 2024	Friday			

Kindly make arrangements to fetch your child/ward in school at 4.00 p.m. at Gate 1. Students who attend our school-based student care centre may go to the centre if you are fetching them after 4.00 p.m..

Your support and kind understanding is greatly appreciated. We wish every student an enjoyable and enriching learning experience. For further clarification, please contact Mdm Hazilah or Mrs Koh at 67933419. Thank you.
