On 23 March 2013, 4 of our P5 Higher ML pupils took part in a Malay Language and Cultural Quiz organised by ACJC Malay Language Department and MAEC Boon Lay CC.

The pupils are Rasyidah and Siti Nursabrina from 5A, Danie Irsyad from 5B and Nur Atiqah from 5D.

The team had to answer a series of questions on Malay Language and Malay Culture. In the first 2 rounds they started out being last but they persevered and never gave up. They portrayed the spirit of excellence throughout the competition and as a result our pupils came in second after Rulang Primary School.

This competition provides a good opportunity for the pupils to showcase their talent and experience for themselves what it takes to strive for excellence.

The school is very proud of their achievement!
