Message
content

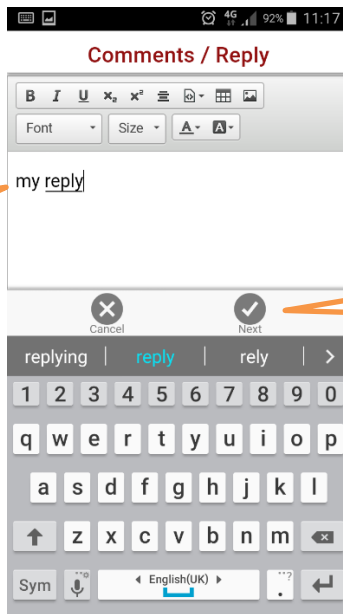

Dear parents,

With the new version of SNAAPP,
please help me acknowledge if you
have received this message
successfully. By the way, please also
help me sign the Schedule for 2016 P4
SA2 notification letter acknowledge
slip given to your last week as I need
to collect them. Thank you and have a
great day!

Regards,

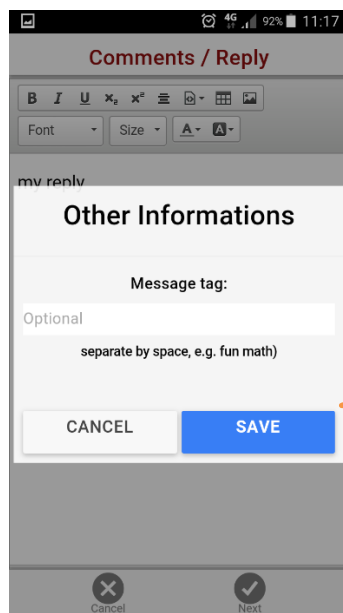

[Redacted signature]

7. Forms

The image shows three sequential screenshots of a mobile application interface for managing consent forms. Each screenshot is annotated with an orange callout box providing instructions.

Screenshot 1: Forms / Others
This screen displays a list of forms. The first form is highlighted with a callout box: "Consent Forms from the school". The form details are as follows:

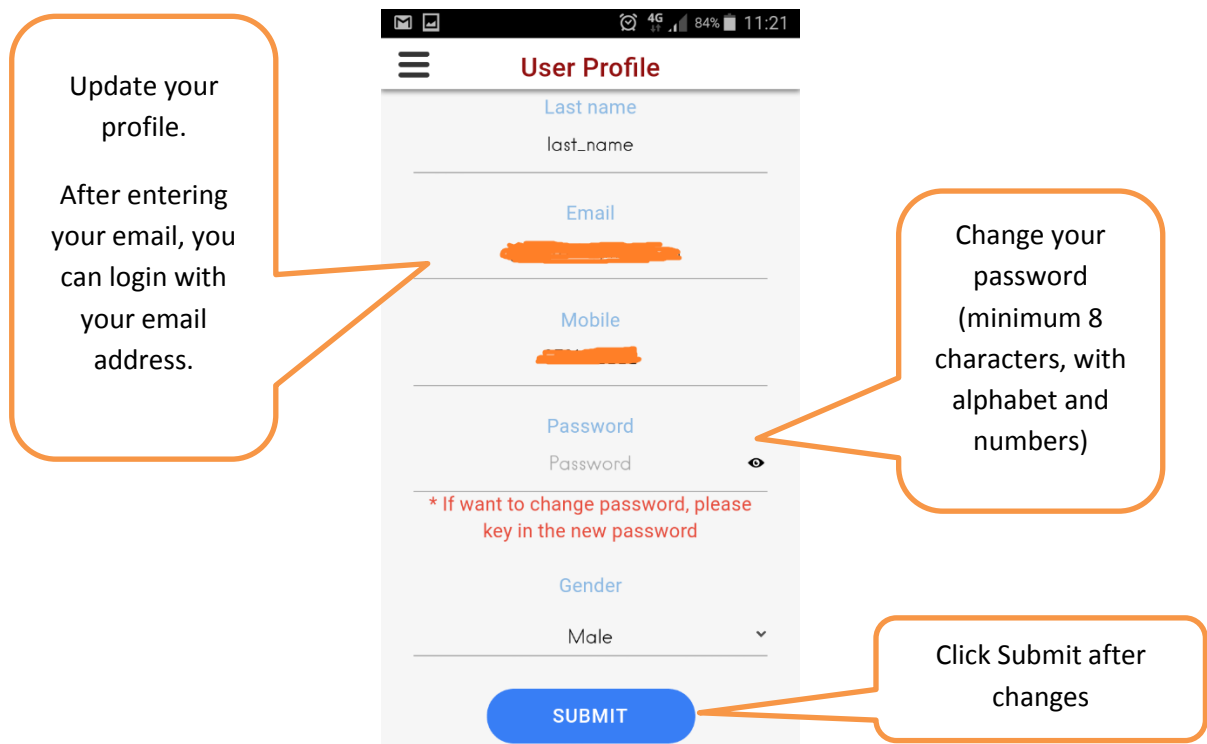

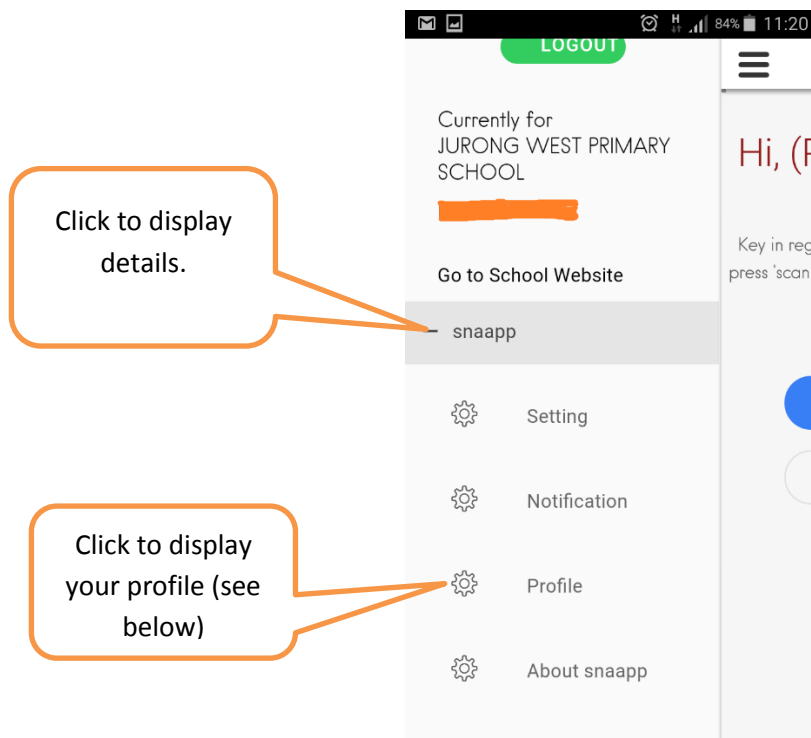

Form Type	Consent form
Title	test
Date	11-Oct-2016 08:10:00
Expiry Date	13 Oct-2016 00:10:00
Status	Pending Submission

A second callout box points to the "Pending Submission" status: "Click on the consent Form to respond". Another callout box points to the form entry: "New consent Form from the school – you have not responded."

Screenshot 2: Consent form
This screen shows the details of a selected form. A callout box points to the "VIEW ATT..." button: "Click to view the attachment". Another callout box points to the "Comments" section: "Key in your comments, if any." Below the comments is a toggle switch for "I, acknowledge the contents of this" with a callout box: "Click to acknowledge the Form". A "SUBMIT" button is visible at the bottom.

Screenshot 3: Signature
This screen is for signing the form. A callout box points to the signature area: "Use your finger to sign the Form". Below the signature area is a "CLEAR" button. The text "I, (P1) [redacted] last_name" is displayed, followed by "acknowledge the receipt of this letter." and a "SUBMIT" button. A callout box points to the "SUBMIT" button: "Submit the Form".

8. Change password, Email

9. Check notifications

Notification display alerts sent to you.
