In 2017, the school went through the envisioning process.

We reviewed our school vision, mission and values to make sure that we are kept updated to the changes in the educational landscape.

As a school, we believe that our new vision, mission and values will guide our teachers in our singular mission to provide our students with a holistic education. It also leads our students towards achieving excellence in all aspects.

SCHOOL VISION

A Learner. A THInKER. A Leader.

SCHOOL VALUES

THInKER

Teamwork	The sense of togetherness and unity in working together with one another.
Honesty	The virtue of always doing the right thing and being true to oneself.
Innovativeness	The courage to always question and think creatively. One who takes calculated risks in coming up with ideas for the benefit of everyone.
Kindness	The show of care and concern for others and the environment. Always gracious in our words and actions.
Enthusiasm	The passion and enjoyment in the things we do.
Resilience	The spirit of perseverance regardless of any challenges

SCHOOL MISSION

To develop a Confident person
an active Contributor,
a Concerned citizen and
a Conscientious learner.
