Dear Parents / Guardians,

## **RE: Parent Engagement Session for P1 2025**

Greetings from Jurong West Primary School!

1. Since our meeting during the P1 Orientation on 15 November 2024, we are now nearly two months into the school year. We believe that strong partnerships between home and school are key to your child's success, and we look forward to collaborating with you throughout the year.
2. We are excited to share with you our upcoming Parent Engagement Sessions for this year. These sessions are designed to foster communication between parents and teachers, as well as provide an opportunity for you to stay involved in your child's learning journey.
3. There will be two sessions this year:
  - a. **1<sup>st</sup> Parent Engagement Session** – This session will focus on sharing key focus for the year and providing you with insights into how you can support your child's learning. During this session, you will also have the chance to ask questions about the curriculum.
  - b. **2<sup>nd</sup> Parent Engagement Session** – The second session will take place later in the year, offering you the chance to meet with individual teachers for more in-depth conversations about your child's progress and development. Details about this session will be given at a later date.
4. The 1<sup>st</sup> Parent Engagement Session is **held virtually via Zoom**. We hope that this arrangement will provide you with the flexibility to join the session from your workplace or the comfort of your own home, making it easier to stay involved and informed. The Zoom details will be given out on a later date via Parents Gateway.
