Dear Parents/Guardians,

Schedule for Co-Curricular Activities (CCA) Experiential Session

1. Greetings from Jurong West Primary School!
2. From Primary 3 onwards, all students will participate in a Co-Curricular Activity (CCA) as part of their holistic development journey.
3. To help your child make a meaningful and informed choice, we will be organising a series of CCA Experiential Sessions for all Primary 2 students. These trial sessions are designed to provide students with first-hand experience of the various CCAs offered, allowing them to gain insight into what each CCA entails.
4. Through these immersive experiences, students will have the opportunity to explore their interests, discover their strengths and passions, and identify a CCA that best matches their aspirations. We hope that this process will lead to greater engagement and a more enriching and fulfilling co-curricular experience.

About the Sessions

5. Students will have the opportunity to experience all 11 CCAs offered by the school. While some CCAs will be introduced during curriculum time, students will be required to stay back after school once a week, either on Mondays or Wednesdays, over a period of three weeks to experience the remaining CCAs.
6. Each after-school session will be two hours long, with students spending one hour participating in each of two CCAs.

8. We seek your understanding and support in ensuring that your child attends all three experiential sessions, as each session introduces different CCAs. Full participation will allow your child to explore the range of opportunities available and make a well-informed choice during the online recruitment exercise that will take place from 2 to 22 September.

9. Should you have any questions, please contact our office at 67933419.

Thank you for your continued support.

Yours sincerely,

Ms Jamie Gu
