2. The school has briefed your child/ward on the conduct and examination procedures for Preliminary Examination 2026. We encourage you to discuss these details at home. This helps your child/ward understand what to expect on examination day. Students generally feel calmer and more confident when they understand the process thoroughly. You can support your child/ward by helping them feel prepared and assured, with sufficient rest the night before each paper and starting the day with a light breakfast to provide energy.

Reporting Time	By 7.30 am and be seated in the hall for attendance taking.
What to Bring	Story book for mindful reading Jacket/sweater (air-conditioned examination venue)

3. We encourage all parents to join us in showing care and support during this important time by offering words of affirmation to celebrate your child's/ward's efforts, strengths and talents at home. Together, let's create a positive and supportive environment to help them feel confident and motivated for their Preliminary Examination journey.

4. All the best to your child/ward in the Preliminary Examination. If you have any questions or require further clarification, please do not hesitate to contact your child's/ward's Form Teachers.
