Notes on Parent Volunteer Scheme

- Jurong West Primary School (JWPS) values the parent volunteers' (PVs') contributions to the school. Through this scheme, JWPS seeks to foster long-term involvement of the parents with the school, as they help to build up and strengthen the school's tradition and ethos, and support the school's efforts to produce well-rounded students who are not only outstanding individuals but also responsible citizens of society.
- A child (Singapore Citizen or Singapore Permanent Resident) whose parent has given at least **40 hours** of voluntary service to the school in the 12 months before admission may enjoy priority registration under Phase 2B in JWPS.
- **Being accepted as a PV does not guarantee that the child will be admitted into JWPS. Balloting will be conducted if the number of qualifying applicants in Phase 2B exceeds the school vacancies. Children who are Singapore Citizens will be admitted first ahead of Permanent Residents before home-school distance is considered.** For further details on Primary One Registration Exercise and balloting, please refer to MOE's website
- JWPS shall not be held responsible if PVs are not able to fulfill the minimum of **40** hours of voluntary service with the school.
- Submission of this Application Form does not mean acceptance as a PV by JWPS. We regret to inform that only shortlisted applicant will be informed and invited to attend the PV Interview.
